

Boston Police reported that there have been two residential burglaries off campus, in the Gerald Road area of Brighton. Additionally, there have several breaks in other off-campus college and university areas in the city.

Victims have reported that electronic devices have been stolen. Police report that in most instances, residences have been found unsecured; however, forced entry has occurred.

As a reminder the Boston College Police Department encourages you to do the following:

- Lock your doors and windows. This includes patio doors and windows on upper floors, and keep those access points secured at all times.**
- Make sure air conditioners are removed from windows.**
- Be aware of your surroundings and get to know your neighbors. Report suspicious persons or behavior to police IMMEDIATELY.**
- Avoid leaving valuables in plain site from windows.**
- Ensure that your devices are password protected and/or Find My Device Apps are active.**
- Keep an inventory of your valuables: make, model, and serial numbers, and photograph items such as jewelry.**
- Lastly, if you arrive home and suspect that your apartment has been broken into, do not enter and call 9-1-1.**
